Museum Collection

The museum collection includes artifacts that tell the story of Ukrainian ethnology and history. Objects include Ukrainian pioneer clothing, textiles, folk art and regional costumes of Ukraine. Oseredok houses one of the largest pysanka collections in North America.

Highlighted Items

Hatchet

On the left side of the page, you can use the following facets: Artist-Maker, Manuf Tech, and Category to browse our categories.

*Example)*

You want to find a piece of furniture. Click on ‘**Category**’ → ‘**Furnishings**’ → all items available in the museum collection will be shown.

#### Chair

Catalog #:	1977-15-02
Title:	Stephen Juba's Chair
Date Made:	Mid 20th Century
Object Name :	Chair
Description :	Black chair (Begere chair) with leather upholstery and wooden legs, armrests, and frame. There is carved work in the wooden frame at the top, with a crest carved in the centre. The crest includes the image of a buffalo above a steam engine train, with three sheaths of wheat in a field underneath. On either side of the crest is a carved scroll of leaves, descending down the sides of the wooden frame. The ends of the armrests and the feet of the legs are carved with scroll designs on the sides and there is a round geometric design extending down the frame on the front between the armrests and the feet. The upholstery has rows of black buttons throughout. The tops of the arm rests had leather pads on them.
Material :	LEATHER
Dim-Eng:	[H]55 1/8" x [W]27 9/16" x [D]31 1/2"
Category :	FURNISHINGS
Credit Line:	Stephen Juba
Significance:	Was used as the mayor's seat in Winnipeg during Stephen Juba's tenure as mayor. Juba was the first
